R E S O L U T I O N

WHEREAS, The University of Texas at San Antonio has received a five-year, \$900,000 grant from the National Science Foundation to promote undergraduate education in math and biology; and

WHEREAS, Students enrolled in the Undergraduate Mathematics and Biology Scholars program who are preparing for careers in the biomedical and health fields will benefit from the money, which will provide them with annual scholarships worth \$8,000; the first class of 10 scholars began in fall 2006; and

WHEREAS, By rewarding promising students in math and science, The University of Texas at San Antonio is vitally contributing to the next generation of doctors, scientists, and other health-care practitioners; now, therefore, be it

RESOLVED, That the House of Representatives of the 80th Texas Legislature hereby congratulate The University of Texas at San Antonio on its receipt of a \$900,000 grant from the National Science Foundation and extend to all those associated with the program sincere best wishes for continued success; and, be it further

RESOLVED, That an official copy of this resolution be prepared for The University of Texas at San Antonio as an expression of high regard by the Texas House of Representatives.
